Application for selection of “Prime Market” in New Market Segments

On July 9, 2021, the Company received the first result for the decision concerning the status of conformance with the criteria for maintaining listing for new market segments from Tokyo Stock Exchange, Inc.(“TSE”), which confirmed conformance with the criteria for maintaining listing in “Prime Market” for new market segments.

Based on this result, we hereby announce that, at the Board of Directors meeting held today, the Company resolved to select “Prime Market” for the transition to new market segments of TSE, which is planned for April 2022.

Going forward, the Company will proceed with the procedures for the application to select the new market segment in accordance with the schedule set by TSE.
